

Open Pickleball Protocol

1. There is a cap of 20 people for open sessions play. Please reserve ahead of time on Setmore through the JCC website or call the front desk to reserve your spot.
2. Open play reservations cutoff time is 5:00 pm on Monday/Wednesday and 1:00pm on Saturday.
3. A sign in sheet will be posted daily based on the Setmore reservations. Please check your name on this list or write in your full name if you are a walk-in.
4. If you do not register on Setmore, you are **NOT** guaranteed a place on the list. Walk-ins will be taken as available on a first come first serve basis. If spots are available, please add your name to the sign in sheet.
5. No “reserving” courts during open play sessions. If you would like to reserve a court for yourself and friends, it must be done so at different hour from open sessions (rent rates will apply).
6. During open play, **ALL LEVEL PLAYERS** are provided the opportunity to play WITH each other as well as AGAINST each other
7. **ROTATION** is key. You must rotate in and out regardless of skill level, who you came together, or any other factor.
8. Whiteboard will be used for rotation. Write your name below the last name on the board. Cross off your name when a court opens. At the conclusion of your game, add your name back to the board at the bottom when you are ready to play again.
9. Winners will stay and split and the next two people based on the list may go play. Individual winners can play a maximum of 3 consecutive games; after their third game played (win or lose) they will rotate out and rejoin the list again.
10. If you choose to sit out a game, then your name goes to the bottom of the list. **NO EXCEPTIONS**
11. Lastly and most important! **POSITIVE ATTITUDES AND GOOD SPORTSMANSHIP** for all. Please respect all participants, for this is a fun and learning environment.
